

Official Bama-Q Grilling Series Points Chase Rules

The Bama-Q Grilling Series contains 8 (eight) Points Chase eligible cook-offs. Cooks must compete in a minimum of 6 (six) of the eligible cook-offs to qualify for the Points Chase Championship.

At all Points Chase cook-offs, points will be awarded to each cook based on the current SCA points system. See current SCA rules for clarification if required.

SCA cook-off results will be directly applied into the Bama-Q Grilling Series Points Chase standings.

At the Bama-Q Grilling Series Finale, the top 3 cooks on the scorecard will compete head-to-head for the overall Points Chase Championship.

The winner will take home prizes and cash worth over \$5,000.

Cook-offs will be announced via our Facebook page and Instagram feed as they are added. Follow us so you're the first to know when a new cook-off is added to the Points Chase!
